

November 2019

Dear Prospective Member,

It is only with the help of giving and generous supporters like you that the Friends organization has been able to financially assist Sedona Public Library for more than fifty years.

Your membership donation is crucial in allowing FOL to fulfill its annual pledge of \$100,000 to Sedona's library. Even with the resounding success of the Friends used book store, there remains a considerable gap between what it generates and the pledge amount. The \$100,000 more in revenue provides the funds necessary for Sedona Public Library to offer patrons over and above the bare-bones operations that are funded through municipal sources. But, without the Friends yearly support, children's, teen and adult programming along with newer technologies and other free services could suffer cuts.

Friends of the Sedona Library is a 100% volunteer organization. Without any salaries to paid staff or real property to maintain, its operating costs are extremely low. That means that more of each dollar received goes directly to assuring that your library remains an iconic yet modern and vital community hub.

Your continued support is truly valued. If you use and enjoy your hometown library, now is the time to renew your membership commitment. For less than the cost of a single hard-cover book, *NOW* is the time to "Be a Friend".

Sincerely,

Mary Snyder

President

I want to "Be a Friend".
