

Let's Bring Our Tree to Full Bloom!  
Only 17 More Leaves Needed!

# The Grandchildren's Tree

at  
**SEDONA PUBLIC LIBRARY**

It's time to bring the Grandchildren's Tree to full bloom. Only 17 more leaves needed to complete this beautiful display honoring children, literacy, and the love of reading. Please invest in your public library today and purchase a leaf.

For more than 20 years, community families have built this lovely exhibit and filled it with 348 gold, silver, or bronze leaves. The tree sparkles!

Centrally located in the Library, the leaves shine throughout the day proudly showing the names of children honored and remembered by their families.

Please join them and support Sedona Public Library. Won't you consider helping us fill the tree this year? Complete the form below, make your check out to Sedona Public Library, and mail or bring it to the Library today! Thank You!
